

## Plural only nouns

1. Read and translate the text:

### **The Hiking Trip**

**The Browns** have always been interested in outdoor **activities**. Whenever they get the chance, they go hiking. They put on their **clothes**: **boots**, warm **trousers** and **jackets**. Then they put their **binoculars**, **sunglasses** and water **bottles** in their **backpacks** and off they go!

Last summer they went hiking in **the Pyrenees**. Mrs. Brown had a hard time. The hike was going great when she tripped over a rock and fell. The **contents** of her backpack spilled everywhere. Her shoelace got stuck and Mr. Brown had to cut it with the **scissors**. She felt bad about ruining her **shoes**, but felt worse about her phone that got broken. Mrs. Brown was never interested in material **belongings**. Her **riches** were the numerous pictures she had taken during all these **hikes** with her family.

2. Place the nouns in the correct column.
