Obviously, this is the sequel to Fun in the City, which is a film I didn't like so it's fair to say my (1)_____ were low. So, you could say I wasn't disappointed, as it met my expectations. It was awful! It was so awful, I'd rather not spend any more time on it by talking about it. But, that wouldn't be a film review and I think I owe you all a review to save you (2)_____ going to see it.

So, it starts off with this big wedding scene. And, I won't go into why, but the whole scene is just there so they can make this one joke. It's not even a funny joke ... it's just, ah, it's just terrible. It's got (3)_____ with the rest of the film. Anyway, it starts there. Then, instead of the characters and the plot staying in New York where the original film was (4)_____, one of them wins a ticket to India and decides to take all her friends. It's what directors do when they've (5)_____ ideas ... let's take our characters on tour!

Anyway, they gossip, cry and shop, and they repeat this until the end. No real people would ever act like this. I didn't have any (6)_____ for their problems or even care what happened to them. Don't go and see it, you'll only encourage them to make another (7)_____. The world doesn't need three of these films. Please save your money and go and see the other big film this week: Twilight Mirror.

So, if you're a fan of the book it's (8)_____, you're probably as excited as I was about this. For everyone else, this is a film fans have been waiting ten years to see. I have to confess, I was a bit nervous. I'd seen the (9)_____ and they didn't look right. I didn't love them at all. And I wasn't sure about the actors they (10)_____ either. So I went in not sure what to expect. But ... I loved it.

One thing I really liked about it was the (11)_____. They went backwards and forwards between the real world and the computer world and it worked really well. The (12)_____ brought the computer world to life and I totally believed in it. But, more than that, I felt emotionally connected to the story and the characters. The whole film worked on so many levels. It reminded me of going to the cinema as a child – how much fun that was. I can't recommend it enough.
