Directions: Read the passage and answer the questions.

We are suffering today of too much waste. The problem is how to save our planet and protect the environment. We must save the environment to live a healthy life in a clean planet.

There are many things we can do to save the environment. At home, we should turn off the lights when you leave the room. Don't leave a tablet or the mobile phone charging all day. Turn off the tap of water while brushing teeth.

At parks, we should collect things that can be recycled, such as paper, plastic and metal in the recycling bins. We can be a **volunteer** in "A Clean-up Day" to help in cleaning up the city and to plant the trees.
