Healthy Eating Society

(1) **Some of people** assume that the Healthy Eating Society (HES) is simply about salad and seeds, and that our members are (2) **all of them** humourless and over-serious. The truth is completely different. The HES encourages you to enjoy food – (3) **any of the** food – and there are (4) **none** meals that are 'forbidden'. We just emphasise moderation.

Twice a week, (5) **every of us** go out for dinner together. (6) **Some of** restaurants we have visited serve food that is high in fat, but that is the whole point of eating healthily – treat yourself, but not too often. And every week a group of us get together to cook a meal to share, which can have some interesting results!

(7) **Many of the** people believe that you can't both be healthy *and* eat high-calorie meals. We believe that you don't have to choose (8) **either** one above the other: it is possible to do (9) **each**.

And this is an idea that (10) **whole** of our members would agree with. Come along to our stall at the Societies' Fair and see for yourself.

COMPLETION/MATCHING TASKS

Before listening to directions to complete a map, you should look at the map carefully and think about the type of information you need to identify each place on the map. When listening, you should focus on words and phrases that will help you find the information, for example *turn left* or *go straight on*. You need to follow the directions carefully and try to predict which information will come next.
