

That's interesting.	I see.	Andrea, what do you think?
What about you, Gita?	I'm sorry, could you say that again, please?	Can you give me an example of that?
I really feel that...	I believe that...	That's a good point.
I agree with Sinem because...	You have a point, but...	I'm afraid I don't agree with that.
Let me give you an example.	The reason is...	To begin with...
And another thing is...	Sure, but what about...	I think you're right that...
Let's hear from Ana.	As far as I'm concerned...	I am convinced that...
