Your morning eyes, I could stare like watching stars
I could walk you by, and I'll tell without a thought
You'd be mine, would you mind if I took your tonight?
Know you're all that I want this

I'll imagine we fell in love
I'll nap under moonlight skies with you
I think I'll picture us, you with the wave
The ocean's colors on your face
I'll leave my with your air
So let me fly with you
Will you be with me?

My love will always by you
I'll keep it so don't you worry a thing
I'll tell you I love you more
It's stuck with you forever, so you won't let it go
I'll trust the will always bring me to you

I'll imagine we fell in love
I'll nap under moonlight skies with you
I think I'll picture us, you with the waves
The ocean's colors on your face
I'll leave my with your air
So let me fly with you
Will you be with me?
