

---

Your morning eyes, I could stare like watching stars  
I could walk you by, and I'll tell without a thought  
You'd be mine, would you mind if I took your heart tonight?  
Know you're all that I want this

I'll imagine we fell in love  
I'll nap under moonlight skies with you  
I think I'll picture us, you with the waves  
The ocean's colors on your face  
I'll leave my heart with your air  
So let me fly with you  
Will you be my love with me?

My love will always be held by you  
I'll keep it safe so don't you worry a thing  
I'll tell you I love you more  
It's stuck with you forever, so please you won't let it go  
I'll trust the stars will always bring me to you

I'll imagine we fell in love  
I'll nap under moonlight skies with you  
I think I'll picture us, you with the waves  
The ocean's colors on your face  
I'll leave my heart with your air  
So let me fly with you  
Will you be my love with me?
