Sunny School News — October 20XX

Lots to look forward to!

By Miss Chan

It is that terrible time of year — tests, tests, tests! But don't be sad — Test Week is nearly over and there are lots of fun school events to look forward to.

Coming up first is Sports Day on 21st October. Do you like running, jumping or just cheering for your class? There is something for you. You can also enjoy listening to the school band at the prize-giving ceremony.

For those who like dressing-up, there is a Halloween Party on 31st October. Will you be a witch or a ghost? Think carefully about what you wear because there will be prizes for the best costumes! You can enjoy games and dancing. Also look out for food stalls with popcorn, fish balls and lots more. Yummy!

Tug-of-war

Games Day is my favourite event of the year. This year it is on 14th November. It is lots of fun with games like the three-legged race and the tug-of-war. You can also jump in a bouncy castle and watch a show.

Three-legged race

So cheer up! There is lots of fun just around the corner!

Bouncy castle
