- write – wrote** I write letters to my cousin every Sunday.
Yesterday she wrote a letter to me.
- blow – blew** Winds often blow in February.
We blew up a lot of balloons for our party.
- bring – brought** My sister brings flowers to my mum every week. I brought new books from our school library.
- buy – bought** We buy fresh fruit at the market every Saturday. Two days ago my mother bought me a new suit.
- take – took** I take 3 books to school every day. When I travelled last summer, I took my favourite book with me to read.
- make – made** We make interesting things in our Handicraft Club. Yesterday we made a paper doll's house.

I **wrote**.

I **blew**.

I **made**.

I **took**.

I **bought**.

I **brought**.

He **didn't write**.

He **didn't blow**.

He **didn't make**.

He **didn't take**.

He **didn't buy**.

He **didn't bring**.

Did she write?

Did she blow?

Did she make?

Did she take?

Did she buy?

Did she bring?
