

READING AND WRITING DESCRIBING AND COMPARING ANIMALS

Read the text. Answer the questions.

Mufasa is a wise and intelligent lion. He lives in the savannah with his family and other wild animals. He's the stronger and more intelligent than any other animal. He's got a beautiful brown mane and fur. But Mufasa is sad. Many animals think he is dangerous. Pumba the young wild boar sees Mufasa every day, but he never talks to him. Mufasa is older, heavier and he runs faster than Pumba. He's also fiercer and has got more dangerous claws.

Where does Mufasa live??

Has he got a beautiful mane?

Why is he sad? (Because)

Who is Pumba?

Is Pumba heavier than Mufasa?

Describe and compare.

African lion

- strong and heavy
- long body
- long, thick mane
