

STATEMENTS AND RESPONSES

Match the sentences in row A with responses in row B

| A | | B |
|---|--|--|
| 1/ "Online learning allows students to study at their own pace." | | A. "That's true! I like being able to pause and replay lessons when I don't understand something." |
| 2/ "Technical issues can make online learning frustrating." | | B. "Yes, and sometimes internet problems cause students to miss important parts of the lesson!" |
| 3/ "Online classes save time because there is no need to travel to school." | | C. "I agree. It's nice to study from home, but I miss seeing my classmates in person." |
| 4/ "Students can feel lonely when studying online." | | D. "Exactly! That's why taking breaks and exercising is so important." |
| 5/ "Sitting in front of a screen for too long is unhealthy." | | E. "Definitely! It's so much easier to manage time when you don't have to travel." |

Follow-Up Discussion Question:

Do you agree with one of the responses you chose? Why or why not?

Suggested key answers:

- Express opinion (I agree because... / I disagree because...)
- Give a reason (For example, when I had online classes, I could study at my own pace.)
- Compare with traditional learning (In a regular classroom, I can ask the teacher directly.)
