THE SENSES

Questions

What does it	look sound smell taste feel	like?

Answers

It	looks sounds smells tastes feels	like ..... (-)	(noun) ..... (adjective)

How to know when to use "like".

We use "like" when we compare things, and nothing (-) when we define something.

If the end of a sentence contains a noun, we use "like".

If the end of a sentence contains an adjective, we don't write anything (-).
