

Heiken Ashi Smoothed Indicator MT4 Download - Free - [Tradingfinder]

The **Heiken Ashi Smoothed Indicator** accurately identifies trends and reduces price noise.

This indicator is an updated and improved version of the standard **Heiken Ashi** candles.

This **MT4 volatility indicator** is formed as a moving average (**composed of Heiken Ashi candles**) around the price, and the position of the price relative to the moving average determines whether the trend is **upward (Uptrend)** or **downward (Downtrend)**.
