

Monologue Student A (2'30''-3'): MOVIES

- Instructions:**
- Use at least 3 of the ideas below
 - You can add your own personal ideas
 - Speak for 2,30-3 minutes

**FILMS**

- * When and how often do you watch films?
- * Comedies, horror or drama?
- * Alone or in company? Home cinema or movie theatres?
- * A film that has left a deep impression on you

Dialogue (You are Candidate A, you begin the conversation) (4-5 minutes)

You and your partner (Candidate B) have decided to go to a big concert in Madrid or Barcelona when the exams are over. Discuss with your partner the details using the following prompts.

- Type of music. Singer / Band. Madrid or Barcelona?
- Tickets: who's in charge of buying them? Where? Price? Youth cultural voucher?
- Essential things: budget, transport and accommodation
- Some sightseeing in the city as well?

Monologue Student B (2'30''-3'): MOVIES

- Instructions:**
- Use at least 3 of the ideas below
 - You can add your own personal ideas
 - Speak for 2,30-3 minutes

**FILMS**

- * Where do you prefer watching films (TV/ streaming platforms/ Internet?) Why?
- * Should we watch films in original version as often as we can? Why (not)?
- * Which movie celebrity would you like to have as best friend? Why?
- * What do you think of people who talk or use their mobile phones at the cinema?

Dialogue (You are Candidate B, you summarise the conversation) (4-5 minutes)

You and your partner (Candidate B) have decided to go to a big concert in Madrid or Barcelona when the exams are over. Discuss with your partner the details using the following prompts.

- Type of music. Singer / Band. Madrid or Barcelona?
- Tickets: who's in charge of buying them? Where? Price? Youth cultural voucher?
- Essential things: budget, transport and accommodation
- Some sightseeing in the city as well?

JFY (just for your info); you can invent one

Student A: Mediation VEGAN RESTAURANTS

Teacher Del, EOI Sant Vicent

Your best friend Yoko, from Japan, is visiting Alicante and she would like to know if there are any vegetarian restaurants in the area since she's on a medical diet. She would like a kind of restaurant where she could also enjoy live music or an artistic ambience. You've seen this infographic and decided to send her a message (1'30'')
