Describe a shopping experience

I'm not a _____ person, and I often wear _____ clothes which make me feel comfortable. But it is my brother's wedding coming, so I went to a local shop to find a _____ suit. When I saw a beautiful shirt in the shop, I immediately decided to _____ it _____. I loved the spotty pattern and the unusual buttons which would make me look _____. However, as soon as I _____ it _____, I could see that it was not a good _____ for me: the shirt was large size so it was a little bit _____ on me. Therefore, I had to ask the shop assistant for a _____ one – which was just the right size. The shop assistant said that the color _____ my eyes and so, of course, I decided to buy it, even though it was expensive. I _____ it _____ and changed back into my own clothes. I'll wear it with my orange trousers. I know it will _____ really well _____ them. I really love the shirt, so I'm going to wear it often. I will probably _____ it _____ in a few months. I hope I won't _____ it soon.

2. **Choose the suitable word for each gap. Some words can be used more than once.**

formal put on (x2) casual tighter try loose off
