wood fur 0 plastic picnics ~~grandad's~~

Hi, I'm Sophia, and this is my tree house. It's in my grandad's garden, high up in an old apple tree. The treehouse walls are made of wood. There are four windows in the tree house, but they haven't got any glass in them. Inside, there's a fur rug on the floor. There are also little plastic chairs and a plastic table. I sit with my brother at the table and we have picnics. I love my tree house!
