Reading

Read the e-mail and complete the sentences.

Hello Roger,

This student exchange programme is really great. It's been a week since I arrived and Dobry and his family have been fantastic. I've been having a really good time.

Krakow is great and there are lots of things to see and do here. I've been to the Old Town and The Cloth Hall which is the oldest shopping centre in the world. We went there two days ago. I haven't been to the Wawel Royal Castle yet but I can't wait. I've also been to Dobry's school a few times. I can't understand what is happening in most lessons that are in Polish, but his English lesson is interesting. The teacher encourages all the students to try to communicate with me. I'm a bit shy but it's fun.

Dobry's family have been taking really good care of me. His mum is a fantastic cook and she has made some delicious dinners. Believe it or not, I've been helping her in the kitchen and I've learnt how to make some traditional Polish food. I'll make you some when I get home, OK?

That's all for now.
See you soon,
Gordon

1. Gordon arrived in Krakow _____.
2. Gordon is looking forward to _____.
3. When talking to Dobry's classmates, Gordon is _____, but finds the lesson _____.
4. Gordon is going to make some traditional Polish food for _____.
