

# Present Perfect Vs Simple Past

## An Open Sea Adventure...

I'm Charlie. I \_\_\_\_\_ in Medellin all my life but I usually travel around Colombia with my best friend Miguel. We \_\_\_\_\_ many adventures together. Once we \_\_\_\_\_ to Santa Marta and we \_\_\_\_\_ to go scuba diving. We \_\_\_\_\_ water sports since we were little kids. I had some experience but Miguel \_\_\_\_\_ a total beginner.

Before diving in I \_\_\_\_\_ Miguel about the risks: In case of an emergency just ascend as slowly as possible. Be careful and don't panic. We were about 25 meters down when we \_\_\_\_\_ two dolphins swimming around. We couldn't see much because we were swimming quite deep. I \_\_\_\_\_ scared because I \_\_\_\_\_ dolphins in my life.

He panicked. He started to swim to the top very quickly but that's dangerous. I tried to calm him but he punched me. He just wanted to get away. After that I lost my mask for a moment...
