I'm still standing

You could never know what it's like
Your blood like winter freezes just like ____
And there's a cold lonely light that shines from you
You'll wind up like the wreck
You hide behind that mask you use
And did you think this fool could never win?
Well,____ at me, I'm a-coming back again
I got a taste of love in a simple way
And if you need to know while I'm still _____
You just fade away
Don't you know I'm still standing better than I ever did
Looking like a true survivor, feeling like a little ____
I'm still standing after all this time
Picking up the pieces of my life
Without you on my mind
//I'm still standing (Yeah yeah yeah)//
Once I never could hope to win
You starting down the road leaving me again
The threats you made were meant to cut me ___
And if our love was just a circus you'd be a clown by now
You know I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
And I'm still standing after all this time
Picking up the pieces of my life
Without you on my ___
//I'm still standing (Yeah yeah yeah)//
Don't you know that I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
And I'm still standing after all this _____
Picking up the pieces of my life
Without you on my mind
///I'm ____ standing (Yeah yeah yeah)///
