P: Professor.

R: Raquel.

A: Ángel.

R: Are there any other questions?

P: Yes. What are you _____?

R: What?

P: What are you wearing? Don't you think our _____ say a lot about our personalities?

R: Look, I really have no problem answering your question, but you need to be fully aware that this _____ is being heard by the members of UDEV, UIT, CNI, their liaison office, the head of the GEOs and a few more officers.

P: In that case, I think we definitely should introduce ourselves. Ladies and _____, it's a pleasure. Forgive me for not giving you my name, but you can call me professor. That's what _____ calls me.

A: Hello, I'm Ángel, deputy inspector of the _____ department.

P: Nice to _____ you Ángel. How are you?

R: Well,... this was a touching moment, tell me. What do you want?
