Homework

Create a poster telling people about the negative effects of **harmful** drugs.

What should be included on your flyer?

- The definition of drugs.
- Examples of harmful drugs.
- The effects of harmful drugs.
- A catchy slogan for example, "Say no to drugs!"
- Pictures or drawings.

Remember to be **creative!**

Student notes on today's lesson can be found on the lms in the Interdisciplinary Unit section, Term 2 Week 9 Drugs. These notes can help you find information to use when creating your poster. Additional information that is age appropriate can also be used.
