

1 Read and complete the texts in your notebook with the words in the box.

might must should

3 Read the sentences. Write True (T) or False (F).

- a. Tom knows for sure that he has measles.
- b. He can't go to the school trip because he has red spots.
- c. Leslie advises him to get in touch with the doctor.

2 Read the texts again. Answer the questions in your notebook.

- a. What are Tom's symptoms?
- b. What can't Tom do?
- c. What did Leslie suggest Tom should do?

Get in touch with the doctor. Don't scratch his spots, and get as much rest as he can.
