

Yuki: Someone sent me a meme at 6 a.m., and it woke me up.

Zac: It must be _____ Cody _____ Jamie. Only you two send people memes that early.

Cody: Not me. I was still under my _____ at that time.

Jamie: I _____ it, either. I was studying then.

Yuki: So early?

Jamie: Well, I can't focus at night, so I study in the morning. I don't _____ getting up early.

blanket either had nothing to do with mind or

Cody: I can focus _____ at night _____ in the morning. I have a terrible attention span.

Jamie: I read a _____ that says people's attention spans have dropped a lot in the past 15 years.

Zac: _____ attention spans _____ IQs have dropped. Are we getting _____?

Cody: I think it has something to do with the Internet. We get so much information every day, but we spend less time thinking or learning.

Yuki: Uh... we just failed to focus on our topic.

Let me check who sent the meme. You did, Zac!

Zac: Did I? I don't even remember!

but also neither nor Not only study stupid
