READING

5A Read the article. Which of the things in Ex 1A are in the text?

Favourite things

Defne Erden, a nurse from Istanbul, Turkey, tells us her top five things.

My favourite thing is my camera. I love photos and I have a really good camera from Japan. It's black and brown and it's quite big. It's about twenty years old, but its photos are great! One of my favourite things in my apartment is my new picture of the sea. It's from my sister. It's dark blue and green. It's beautiful!

In my bedroom, my favourite thing is my chair. It's my favourite colour, orange. It's from my grandfather and it's about 100 years old. It's not beautiful, but I love it.

My favourite thing in my kitchen is my coffee machine. It's new and it's from Italy. I have two cups of coffee in the morning. I love Italian coffee.

I love music and my guitar is very important to me. It's a beautiful Turkish guitar called a *Baglama*. It's my father's guitar, but now I have it in my apartment. It's old but it's very good.
