Read the following passage. For each question, choose the correct option that best suits each blank.

Dear Mayor Glenn, This email is about the advantages of new renewable energy sources. As you may know, 80% of the electricity for the town comes from the coal plant, which is the cause of (21) _____ in the city. After researching new technologies, I suggest the city develop more renewable sources like (22) _____, wind, and nuclear power. Progress in the last couple of years has made renewables better energy sources than non-renewables like coal and gas. For example, solar panels have become less (23) _____ than coal, cheap to build, and cleaner for the environment. (24) _____ have gotten larger, make less noise, and produce more energy with less wind. Nuclear power can sometimes be (25) _____, but it's cheap to run.

LIVEWORKSHEETS

Câu 21 A.safe	B.dangerous	C.exhausted	D.clean

Read the following passage. For each question, choose the correct option.

Hi Mom,

I wanted to send this postcard to you and let you know I am doing well and living in London. I found a good job working in a bakery. The bakery is in a beautiful part of the city across the street from the Waldorf. It is an old hotel, and many famous guests stay there. I got an apartment near the park and have been getting lots of exercise by going on slow runs around the city. I have also been spending my free time watching the local Chelsea football club at the stadium. It's so exciting to watch the games in person and hear the crowd go crazy when they score. Being here has been a great experience. You would be happy to know that I have been improving my English. Being able to practice every day has helped me a lot.

Please write back and let me know how things are at home.

Your Son,

Anthony

Câu 22 Anthony sent a postcard to his mom _____.

A.to tell her about the Waldorf hotel

B.to let her know he is living in London

C.to let her know he is getting exercise
