Hi, I'm Nam. In our science class last Friday, we learned about how to keep our body healthy. Our teacher said that eating good food, drinking water, and doing exercise every day are very important. She also said we should eat lots of fruit and vegetables. After the lesson, we visited the school garden. We saw tomatoes, cucumbers, and carrots. It was fun! I helped pick some vegetables for our cooking club. At home, I helped my mom make a salad. It had lettuce, carrots, and eggs. It was so yummy! I also told my little brother not to eat too many candies or chips. He loves candy, but I reminded him that too much sugar is bad for our teeth. Now, I drink more water, go to bed early, and try to eat healthy food every day.
