Unlike life in the countryside which is often considered to be simple and traditional, life in the city is modern and **complicated**. People from different regions move to the cities in the hope of having a better

life for them and their children. The inhabitants in the city work as secretaries, businessmen, teachers, government workers, factory workers, and even street vendors or construction workers.

The high cost of living requires city dwellers, especially those on low incomes to work harder or to take a part-time job. For many people, an ordinary day starts as usual by getting up in the early morning to do exercise in public parks, preparing for a full day of working and studying, then travelling along crowded boulevards or narrow streets filled with motor scooters, and returning home after a busy day. They usually live in large houses, high-rise apartment blocks, or even in a small rental room equipped with modern facilities.

Industrialization and modernization as well as global integration have a big **impact** on lifestyle in the cities. The most noticeable impact is the Western style of clothes. The “ao dai” – Vietnamese traditional clothes are no longer regularly worn in Vietnamese women’s daily life. Instead, jeans, T-shirts and fashionable clothes are widely preferred.

**Question 31.** Which is the most important reason why people move to the city?

- A. They want to have busy days.
- B. They want to look for a complicated life.
- C. They look for a better life.
- D. They need to take part-time jobs.

**Question 32.** The word **complicated** in paragraph 1 is **OPPOSITE** in meaning to \_\_\_\_\_.

- A. sophisticated
- B. complex
- C. original
- D. simple

**Question 33.** What may industrialization and modernization lead to?

- A. some changes in lifestyles
- B. global integration
- C. the fact that women no longer wear ao dai
- D. the disappearance of Western-styled clothes

**Question 34.** We can infer from the passage that \_\_\_\_\_

- A. there is a big gap between the rich and the poor in the city.
- B. people leave the countryside because life there is simple.
- C. most urban dwellers have low income.
- D. people do morning exercise in public parks because they have much free time.

**Question 35.** The word **impact** in paragraph 3 is **CLOSEST** in meaning to \_\_\_\_\_.

- A. situation
