

1 The Ho family are at a buffet.

I love buffets! This place has a chocolate fountain. I want to put strawberries in it — yum!

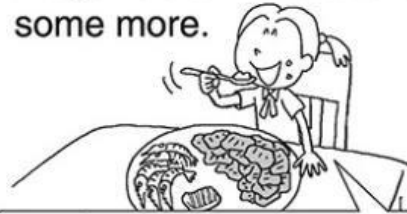

2 Is there any beef? No, there isn't. The waiter is getting some.

That's OK. There's a lot of pork. Yum!

3 Megan eats her food and gets some more.

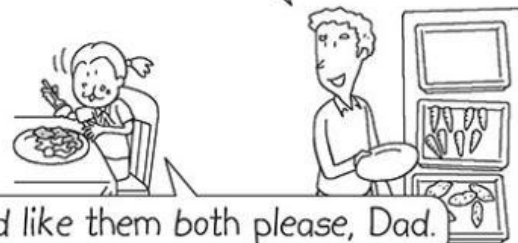

There's some fish and there's a lot of beef now. There are some prawns too. They're delicious.

4 Slow down, Megan. Don't be greedy.

But I want some vegetables. They are good for me. Dad, are there any vegetables?

5 There isn't any corn. But there are some baby carrots and sweet potatoes.

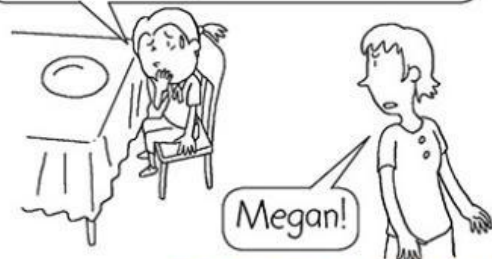

I'd like them both please, Dad.

6 Time for dessert!

There are pies and puddings and cookies ... and the chocolate fountain!

7 Erm, no thanks. I'm not feeling very well. No chocolate fountain for me today.

Megan!
