Live La France!

France is a beautiful country of historical interest in Western Europe. The climate is quite cool and it is often wat in the north but much warmer and sunnier in the south. The French are usually good-looking. They are of medium height with dark hair and a light complexion. The French are friendly people who are well-known for being stylish and wearing chic designer clothes. They are sociable and talkative and they are interested in history and culture.

There are both big cities and small villages in France. The French do many different jobs: they work in offices, factories, shops, on farms and in the fields. France is famous for producing cars, computers, cheese, meat and wine. The French love going out with their friends and having fun.

Their most popular free-time activities include going to cafés, going to the theatre and dancing at clubs. They also like good food and France is full of expensive restaurants, with delicious dishes of unique food.

France is a wonderful country with a lot of things to see and do. Tourists will surely love its fascinating sights and lovely people.
