

Exercise 3: Write the spelling of the ordinal numbers.

(Viết các số thứ tự sau.)

a 1st = First

f 6th = _____

b 2nd = _____

g 23rd = _____

c 3rd = _____

h 22nd = _____

d 4th = _____

i 13th = _____

e 5th = _____

j 10th = _____

Exercise 4: Match these suffixes with their correct following numbers to make cardinal numbers. (Nối những đuôi cuối với những số dưới đây để tạo thành số thứ tự.)

The illustration shows a garden with four flowers in pots, each with a suffix: 1. nd, 2. st, 3. th, 4. rd. Above them are several bees holding numbers: 12, 81, 42, 61, 23, 65, 53, 16, 13, 22, 32, 33. The task is to connect the suffixes to the correct numbers to form cardinal numbers.
