Hi! My name's Julek, I'm 13 and I love travelling. I go to a lot of places in Poland and in Europe with my dad. He took me on my first tour when I was five. We went to see some castles in the south of Poland. Next year there were old towns in Slovakia and Hungary, and after that we visited the mountains of Romania and the beaches of Bulgaria. We saw the football championships in Ukraine and we swam in the sea in Estonia. We know some cold countries: Norway, Sweden and Finland. One summer we were in Germany, where we found some beautiful churches, and last year we spent two weeks in the south of France. It wasn't very expensive. Dad's got a big car and there are two of us, so we didn't need a hotel, and we always ate food from supermarkets. Now we're reading about Italy, our next holiday. I'm very excited!
