Activity 4

You and your classmates want to plan a party. Talk about the party and mention:

What the event is/ Why it is happening (end of the school year, Christmas, sports team winning the cup)

Who is responsible for what (food, music, entertainment, place, budget)

How you will spread the word (posters, social media, announcement in school paper)

What you need as a team to organize a great party (communication, open mind, respect, creative thinking, collaboration, commitment)
