Last night I went to a concert with my friends. The band's \_\_\_\_\_ was really fun.

Everyone in the \_\_\_\_\_ was dancing and singing.

The \_\_\_\_\_ sang very well and talked to the audience a lot.

Before the main band started, there was a \_\_\_\_\_. They only played a few songs, but they were pretty good.

The main band is now on a big \_\_\_\_\_ in South America. Tickets always \_\_\_\_\_ very fast!

I really love their \_\_\_\_\_, especially the songs about friendship and dreams.

I hope they record a \_\_\_\_\_ soon, because their concerts sound amazing!
