# Needs and Wants

Look at the pictures below. Decide which pictures represent something that people *need* to survive and which are things that people might just *want*. Cut out the pictures and glue in the appropriate column.

| Needs | Wants |
|-------|-------|
|       |       |

|                                                                                                 |                                                                                                 |                                                                                                        |                                                                                                    |
|-------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|
