Astronomy Day (Mon, 28th May)
Join us for wonderful 3D presentations on:

- the history of the universe
- space exploration
- and more ...

How It Works (Tue, 29th May)
Fascinating shows in which you can learn how mechanisms we use every day function: from the watch and computer mouse to the LCD monitor.

Meet A Scientist (Wed, 30th May)
Scientists from our city's university will come and tell you about things they do in their work and the scientific problems they study. Presentations by chemists and physicists will include experiments.

Ticket prices: Children – £4, Adults – £8, Family ticket – £16

Hi Ben,

I read an advert about Spring Science Festival which starts on The first day is called On Tuesday we can find out how different devices work. On Wednesday we can meet from our university. They will tell us about their job. Your children will like it.

The ticket for your family cost

Kate
