At the foot of the ladder there was a big room full of butterflies.

Thousands of butterflies flew off the walls to protect their young.

There was a ladder under the door. They climbed slowly and carefully down it.

Then he put his belt round the snake's mouth so it couldn't bite them.

Diggory jumped into the snake bowl to save Emily. 1

The box was full of striped insects, so Brutus dropped it.

Diggory knew how to get out. He opened a secret door.

When Diggory and Emily were looking at the butterflies, Brutus opened a box.

The room was the famous butterfly room of Queen Hetepheres.
