### Section B - Real-scenario application (20 points)

Select one of the two scenarios shown below. The answer you give will score maximum 20 points.

**Scenario 1:** Describe one specific classroom activity that reflects on Direct Method and explain how it supports its core principles.

**Scenario 2:** Give one example of a learning task used in the Suggestopedia Method and explain how it promotes relaxed learning and memory activation.

Scenario chosen: \_\_\_\_\_

### Explanation:
