Read the text and write if the statements are TRUE or FALSE.

Hello! I'm Ms. Fatma. I'm an office worker and I work in a big company in my town. My days are usually busy. I work during the day from Monday to Friday. On Saturdays and Sundays, I don't work. On these days, I get up at half past eight and have a big breakfast. After breakfast, I get changed and go grocery shopping.

When I get back home, I eat lunch. After lunch, I take a nap. In the afternoon, I go to the gym and work out for an hour. I love running on the treadmill. Then I go home and take a shower. After that, I eat dinner. Finally, I go to bed and read for about half an hour. I'm really tired after a busy day!
