## About the Speaking test

The Speaking test lasts about 10 to 12 minutes. You take the test with another candidate. There are two examiners in the room. One examiner talks to you and the other examiner listens to you. Both the examiners give you marks.

### *Part 1*

The examiners introduce themselves and then one examiner asks you and your partner to say your names and spell them. This examiner then asks you questions about yourself, your daily life, interests, etc.

### *Part 2*

The examiner asks you to talk about something together and gives you a drawing to help you.

### *Part 3*

You each have a chance to talk by yourselves. The examiner gives you a colour photograph to look at and asks you to talk about it. When you have finished talking, the examiner gives your partner a different photograph to look at and to talk about.

### *Part 4*

The examiner asks you and your partner to say more about the subject of the photographs in Part 3. You may be asked to give your opinion or to talk about something that has happened to you.
