

# My new life

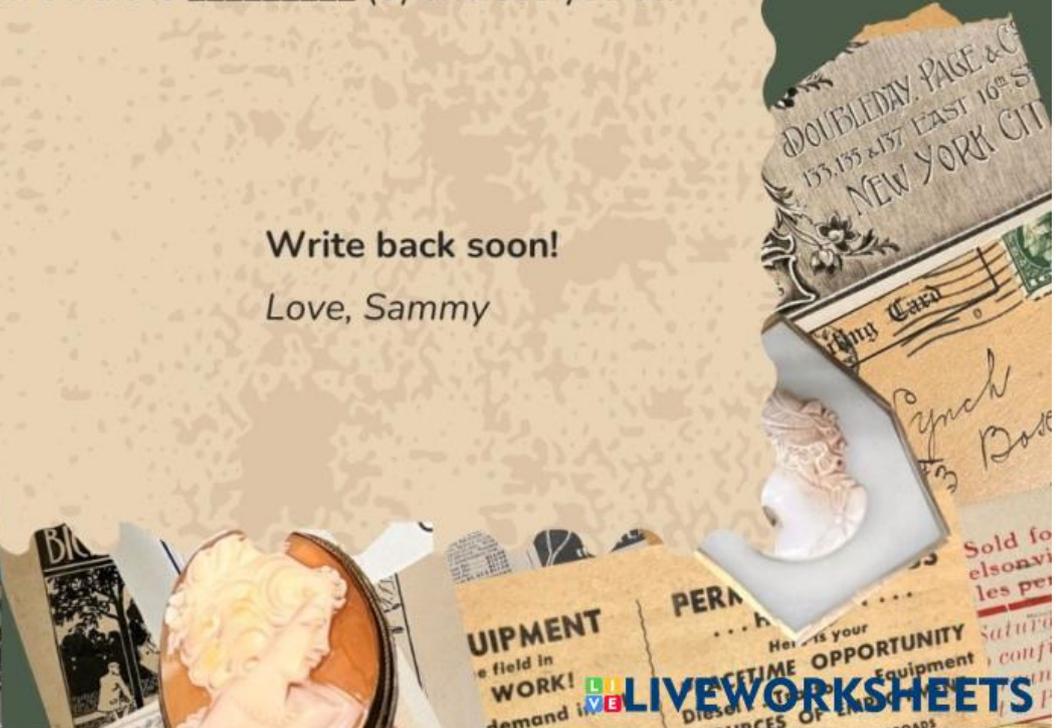

Dear Nat,

How are you? I miss you a lot! Life here is crazy but exciting. At first, it wasn't easy to \_\_\_\_\_ (1) because everything is so expensive! I had to find a part-time job just to \_\_\_\_\_ (2) and pay the bills. Also, now I have to \_\_\_\_\_ (3) at 6:00 a.m. every morning for my new job. Can you believe it? I'm not a morning person at all!

The good news is that I \_\_\_\_\_ (4) really well with my new roommates. We cook together, go to the gym, and sometimes explore the city on weekends. Little by little, I'm starting to \_\_\_\_\_ (5) missing home, but I can't wait to \_\_\_\_\_ (6) and see you all again!

Write back soon!

Love, Sammy
