Hello! My name is Daniel and I like school. Every day I study different subjects. In the first class we have (1)\_\_\_\_\_. In this class we solve equations and work with numbers. After that we have (2)\_\_\_\_\_. In this subject we read books, learn new words, and practice speaking. Later we go to (3)\_\_\_\_\_, where we learn about the world, countries, and maps. My favorite class is (4)\_\_\_\_\_ because I love drawing and painting pictures. In the afternoon we have (5)\_\_\_\_\_. We learn about the past and important events. Then we go to (6)\_\_\_\_\_, where we sing songs and sometimes play instruments. We also study (7)\_\_\_\_\_, where we learn about animals, nature, and do experiments. Finally we have (8)\_\_\_\_\_, where we play sports, run, and exercise.
