3 Use the cues and write sentences with *used to*. Follow the example.

(I/swimming team)
I used to be in the swimming team when I was in high school.

1. (my brothers/play the drums in a band)

2. (Susan/shorter hair)

3. (we/cycle to school)

4. (you/get up early?)

5. (I/not/go to school in the morning)

6. (my friends and I/not/play outdoors)

4 Compare your life in the past and today and write three sentences describing what's different. Follow the example.

My family and I used to live in a lovely house in the countryside, but now we live in an apartment in a big city.

1.

2.

3.

5 Think about three inventions that have changed people's lives. Explain what life was like before the invention and how life is different with it. Follow the example.

Invention: Scanners
Before we had scanners, people used to send faxes. Now we scan documents and send them through the Internet.

1. Invention:

2. Invention:

3. Invention:
