G

Read Hilda's letter. Then check (✓) four true statements. (4 POINTS)

Dear Paul,

Austin is a great city. I really like it here! There's always a lot to do. Every day after class, I walk down Guadalupe Street. I always like to go to my favorite coffee shop in the afternoon and meet my friends there for coffee. In the evening, there is always something interesting to do in town or near the university.

For example, I sometimes see a foreign movie, and I often listen to live music.

On Saturday, my friends and I sometimes take the bus to San Antonio for the day. I love the shops and restaurants there. It's a great city for walking. We almost always walk along the River Walk and have lunch at a restaurant by the river. After lunch, we always go shopping.

On Sunday, I sometimes like to play tennis with friends, or we watch sports on TV, like a football game or a basketball game. I think football is very exciting!

Well, that's all for now. Hope to hear from you soon

Take care,

Hilda

Read Gina's email. Then check (✓) four things you can do at places in her neighborhood. (4 POINTS)

Hi Brittany!

Guess what! I moved into my apartment yesterday. I really like my new roommates. I also like the neighborhood. There are a lot of different restaurants here. Last night, I ate at a Mexican restaurant just around the corner. The food was delicious. I want to try a new Japanese restaurant near here soon. For breakfast this morning, I came to this great coffee shop across from my apartment. Actually, it has Wi-Fi, so I'm emailing you from here now.

It's a really convenient neighborhood. There's a grocery store on our street, and there are some interesting stores, too. One store sells the newest computers and cell phones. I might get a computer there, and then I can email you from home! My roommates told me there's a great park just two blocks away. I want to start jogging every weekend.

Come and visit soon!
