- A. where B. which C. who D. whose

C. READING (3 points)

PART 1. Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 19 to 24. (1.2 points) 180-200w

The Great Wall of China

The Great Wall of China is one of the most impressive and famous landmarks in the world. It was originally built to protect China from invaders and stretches over 13,000 miles across mountains, deserts, and grasslands. The wall was constructed more than 2,000 years ago during the rule of ancient Chinese dynasties. It was made using bricks, wood, and stone, which made it strong and durable. Over the centuries, different emperors expanded and strengthened the wall to improve its defense system.

In the past, soldiers guarded the wall and used watchtowers to spot enemies from a distance. The Great Wall was not just a defense structure—it also helped control trade along the Silk Road, an important ancient trade route. Today, the Great Wall is no longer used for military purposes, but it remains a symbol of China's rich history and culture.

Millions of tourists from all over the world visit the Great Wall every year to **admire** its breathtaking views and historical significance. Parts of the wall have been well-preserved, while others have been damaged over time. However, efforts are being made to restore and protect this UNESCO World Heritage Site for future generations.

(NB) Question 19. The Great Wall of China was built to protect China from _____.

- A. tourists B. soldiers C. invaders D. earthquakes

(NB) Question 20. It was made of bricks, wood, and _____.

- A. glass B. paper C. metal D. stone

(NB) Question 21. In the past, soldiers stood in _____ to watch for enemies.

- A. houses B. watchtowers C. boats D. walls

(TH) Question 22. The word “**admire**” in paragraph 3 is closest in meaning to _____.

- A. repair B. respect C. avoid D. destroy

(TH) Question 23. Which of the following is TRUE according to the passage?

- A. The Great Wall was always used only for war.
B. The Great Wall was used to control trade.

- C. The Great Wall was built 500 years ago.
- D. Tourists are not allowed to visit the Great Wall.

(TH) Question 24. In which paragraph does the writer mention **that the wall is being restored**?

- A. Paragraph 1 B. Paragraph 2 C. Paragraph D. Paragraph 4

PART 2. Read the following passage about new ways to learn and mark the letter A, B, C, D on your answer sheet to indicate the best answer to each of the following questions from 25 to 29. (1.0 point) 180-200w

Learning English with Electronic Devices

Using electronic devices to learn English offers many advantages. First, they are portable and can be used anywhere. This means you can study English on the bus, in a café, or even in bed.

Second, there is a wide range of apps and websites that provide interactive activities and exercises. These tools can make learning more interesting and fun. For instance, you can practise your listening skills by watching videos or listening to podcasts. You can also play games that help improve your vocabulary and grammar.

Another benefit is that electronic devices give you access to online dictionaries and translation tools. These are very useful when you come across a new word or phrase you don't understand.

Finally, electronic devices make it easier to connect with other learners and native English speakers. You can join online communities, take part in discussions, or find language exchange partners. These are great ways to practise speaking and writing skills.

In conclusion, electronic devices can be helpful tools for learning English. However, it's important to use them wisely and not depend on them too much.

(Adapted from futurelang)

(TH) Question 25. What is the main idea of the passage?

- A. Electronic devices are harmful if overused.
- B. You can't learn English without a phone.
- C. Electronic devices can support English learning in many ways.
- D. English is the most popular subject to learn online.

(NB) Question 26. What do electronic devices help students improve?

- A. Only grammar skills

- B. Listening and vocabulary skills
- C. Math and science skills
- D. Only writing

(NB) Question 27. What can learners do with online communities?

- A. Take online grammar tests
- B. Join discussions and find speaking partners
- C. Buy new devices
- D. Watch only TV shows

(NB) Question 28. Why are translation tools useful for learners?

- A. They teach grammar rules
- B. They fix pronunciation
- C. They help understand unknown words
- D. They test speaking speed

(TH) Question 29. The word “benefit” in paragraph 3 is closest in meaning to:

- A. a problem
- B. an advantage
- C. a skill
- D. a result

PART 3. Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct option that best fits each of the numbered blanks from 30 to 33. (0.8 point)

The Future of Work in a Rapidly Changing World

The world of work is changing faster than ever. (30) _____, automation and artificial intelligence are rapidly replacing traditional roles. As a result, workers must be ready to upskill and adapt to new fields. Some occupations may disappear, but many new ones will emerge—especially in technology, healthcare, and green energy.

(31) _____, they will have more chances to succeed in the future job market. Employers now look for people who are not only technically skilled but also creative, adaptable, and able to collaborate effectively.

Young people are advised to explore various career paths through internships or job-shadowing experiences. They can also participate in career (32) _____ organized by schools or local career centers to learn from industry professionals.

(33) _____, following industry trends and taking part in online learning courses can help individuals stay updated and competitive.

(Adapted from Futurelang)

(VD) PART 2 .Writing a paragraph of (100 – 120 words) to your friend telling him / her about your future favourite job. You might use the following suggestions. (1.0 point)

You might use the following suggestions:

- What is the job?
- Why do you like it?
- What skills or knowledge do you need for it?
- What will you do in that job?
- Do you think it suits you? Why / Why not?

Useful Language

- ◆ In the future, I want to be...
- ◆ I think it's a meaningful / well-paid / interesting job
- ◆ I will need to be good at...
- ◆ I will have to / need to learn...
- ◆ I will prepare / help / design / create / develop...
- ◆ This job suits me because...

Writing Sample

There are many jobs I like, but my favourite future job is to be a **graphic designer**. I've always loved drawing and using technology to create things. I think being a designer is an exciting job because it allows me to be creative and express ideas through images. To do this job well, I need to learn how to use design software and improve my art skills. I also need to be good at teamwork and time management because I will work with clients and follow deadlines. In the future, I hope to design posters, websites, and logos. This job suits me because I'm creative, hard-working, and love working with visuals.
