Multiple choice questions

1. Why is Holland particularly vulnerable to flooding?
 - a) Due to frequent earthquakes that crack its foundations

- b) Owing to heavy rainfall throughout the year that overflows rivers
 - c) As a result of melting glaciers that raise water levels annually
 - d) Because most of the country lies below sea level with minimal natural barriers
2. What was Peter's initial reaction to his mother's errand?
- a) Reluctance because he feared the dykes might break
 - b) Indifference since he preferred playing with friends
 - c) Excitement as he enjoyed visiting old Hans and hearing stories
 - d) Anxiety about returning before sunset
3. How did old Hans' stories contribute to the plot?
- a) They taught Peter survival skills for natural disasters
 - b) They distracted Peter and made him forget his mother's warning
 - c) They revealed the history of Holland's dyke system
 - d) They showcased Hans' sailing expertise unnecessarily
4. What first alerted Peter to the dyke's danger?
- a) A visible crack spreading across the dyke wall
 - b) His flowers being swept away by rising water
 - c) The unusual sound of trickling water amidst wave noises
 - d) A village warning bell ringing in the distance
5. Why didn't Peter leave to get help when he found the leak?
- a) He feared punishment for being late
 - b) He didn't trust adults to handle the situation
 - c) He wanted to prove his bravery alone

- d) He knew the hole would expand rapidly if unattended
6. What physical challenge did Peter face during his vigil?
- a) Numbness and cold in his trapped arm
 - b) Intense heat from the afternoon sun
 - c) Hunger pangs from missing dinner
 - d) Itchy mosquito bites in the damp area
7. Why didn't Peter's mother search for him at night?
- a) She assumed he was safely staying with Hans
 - b) Village rules prohibited night searches
 - c) She was angry at his disobedience
 - d) The locked door prevented her from leaving
8. How was Peter finally rescued?
- a) By fishermen who heard his cries from the sea
 - b) When Hans went looking for his missing visitor
 - c) Through a postman noticing his groans at dawn
 - d) By his mother retracing his path at sunrise
9. What does Peter's action symbolize about responsibility?
- a) That children should never question adult authority
 - b) How individual vigilance can protect entire communities
 - c) The importance of formal education in crisis management
 - d) That bravery requires physical strength above all
10. What lesson does the villagers' reaction teach?
- a) That heroism often goes unrecognized in small communities
 - b) That children should be rewarded materially for good deeds

- c) The necessity of strict punishment for rule-breakers
- d) How collective gratitude reinforces moral courage
