1. My friend loves to spend his free time actively. He seldom plays computer games with his friends. They often play volleyball or football. In summer they swim and sunbathe. My friends like climbing mountains as well.
2. My cousin is clever and hard-working. He helps us do the homework. In holidays he visits his Granny and helps her do the housework. Granny loves her grandson and she cooks tasty dishes.
3. In my village there are nice houses. It is pleasant to walk along its wide streets and breathe fresh morning air. You can enjoy the beauty of nature. People keep domestic animals like cows, goats, pigs, cats and dogs.
4. There are high buildings, cinemas, and theatres in our city. Tourists enjoy going sightseeing and seeing nice places here. You can walk in the parks and squares. You may visit the museums and learn many interesting things about the history of our country.
