Ex6. Read the passage.

Michael Jackson was born on 29th August, 1958, in Gary, Indiana. He was famously known as the "King of Pop". He started his music career in 1971 and became a successful American singer. His 1982 album, Thriller, was his best-selling-ever. In his music videos for the album, he introduced dance moves like the robot and the moonwalk. He won 13 Grammy Awards. He earned a lot of money and gave much of it to charity. In the 1980s, Michael suffered from a skin disease called vitiligo that caused his skin colour to change. Michael had three children. He passed away in 2009.
