1. Read the examples. Then make sentences with a partner.

E.g. A dishwasher is used to wash the dishes.

An iron is very useful in the house.

I usually store **the** vegetables in the fridge.

2. Work in pairs. Ask each other the questions below. Use the pictures, vocabulary words or phrases to answer them.

A: What appliances
do you have in your
house?

B: I have an extractor.

A: What do you use it for?

B: I use the extractor to
make juice.

a dishwasher /
wash the dishes

a stove /
