

If you love somebody

Betterthem why they're here 'cause

They just may..... away from you

You'll never know what went well

Then again it just on

How long of time is left for you

I've had themountains

I've had the rivers

You can have it all but not till you move it

Now take it in but don't look down

'Cause I'm on top of the world, 'ey

Waiting on this for a while now

Paying my dues to the dirt

I've been to smile, 'ey

Been holding it in for a while, 'ey

Take it with me if I can

Been of this since a child

I've tried tothese corners

Try to take the easy way out

I kept on falling of something

I could give up then but

Then again I couldn't have 'cause

I've traveled all this..... for something

And I it's hard when you're falling down

And it's a way up when you hit the ground

Get up now, get up, get up now
