Exercise 3: Circle the correct answer

Hi Sam,

I'm at the beach with my family!

The sun is shining and the sand is warm. I have a bucket and a spade. I built a big sandcastle today! It has four towers and a big door.

We found some shells and two little crabs. They were walking near the water. I picked up a pink shell and gave it to my sister.

We went swimming in the sea. The water was cool and fun! Later, I went on a boat ride with my dad. It was amazing!

I love the beach. I wish you were here!
